Patron Prospectus

2024 PiezoMEMS Workshop

March 19-20, 2024 in Aachen hosted by aixACCT Systems

Dear Industrial Affiliates,

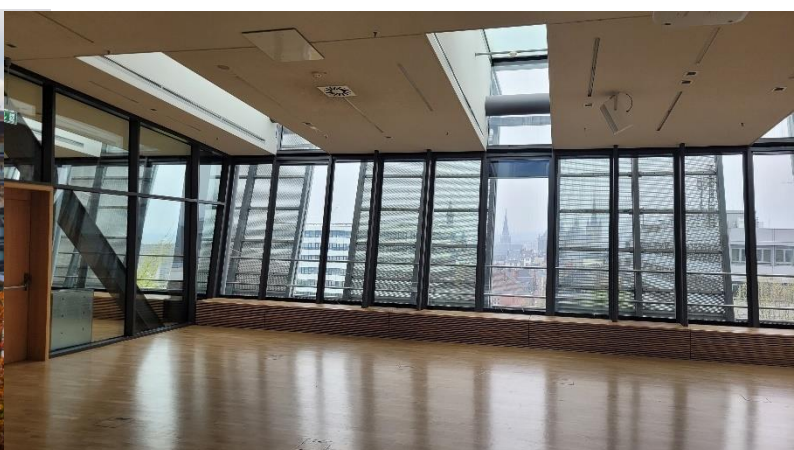

We invite you to join and sponsor the 2024 Piezo MEMS Workshop which will take place on March 19 and 20, 2024 in Aachen, Germany.

The PiezoMEMS Workshop is an industry forum that brings together scientists and engineers from industry and universities. Together, we strive to advance the overall market for piezoelectric materials.

You are invited to present the latest advancements and new capabilities in piezoelectric deposition, etch, characterization, and fabrication offerings. An exhibit area will be featured where your company can set up informative displays and meet with workshop attendees.

SuperC Aachen- Conference location

Lecture room in SuperC

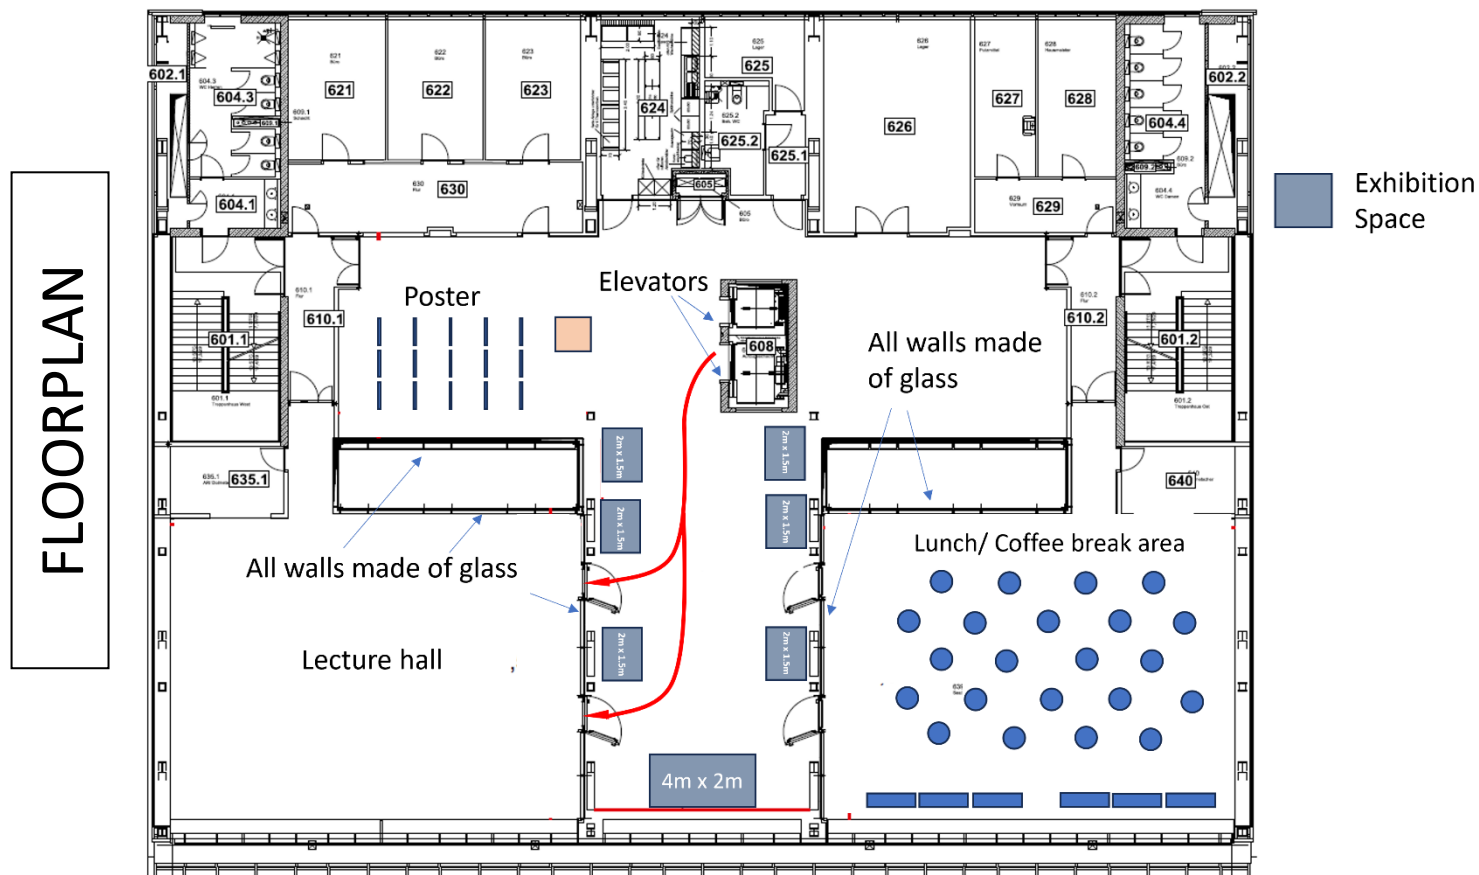

Information for Exhibitors

The piezoMEMS 2024 exhibits program is closely integrated with the technical program. The Exhibition will be placed directly between the lecture Hall and Lunch/Coffee break area.

The entire building is made of glass walls and thus exhibitors will be seen from all sides ensuring maximum exposure for exhibitors.
